STIHL FS-KM LINE HEAD ATTACHMENT

Trimmer Spool Gear head gone bad?

OPTIONS:

A Buy a New Gear Head (unit only)

OR

B For about the same money **get NEW all of this ...**
MFR #41802000471US

- + 1 **NEW Gear Head!**
- + 1 **NEW Bump Spool loaded w/String!**
- + 1 **NEW Guard!**
- + 1 **NEW Shaft ~3 Feet!**

KM EXTENSION SHAFT

- On your non-Kombi Trimmer ADD ~37 inches of reach with any STIHL KM attachment.

TRIMMERPLUS® ON STIHL®?

- TrimmerPlus attachments have a 3/16" square male shaft, DIYr's say it fits perfectly in the Stihl Kombi's 3/16" square female drive.
